tea

Jeeves & Jericho of Oxford create the superb tea blends we offer here at The Maytime. Harnessing the age old traditions of tea making with a great respect for the surroundings the teas are grown in, this brand have a fresh, fun and contemporary approach to tea making. They also have the added bonus of being blended only 3 miles down the road.

English Breakfast - Using a traditional blend of Assam from India's finest tea gardens, this satisfying full flavoured tea is wonderfully aromatic, without being too overpowering.

Earl Grey - The most famous of all scented black teas, a true classic. This is a unique blend of Indian Assam, Chinese orange pekoe tea, bergamot oil and cornflower petals. The result is a full-bodied tea with a zesty aroma.

China Jasmine - The classic flavouring techniques of Chinese Jasmine has been known in China for some 1,000 years. This loose-leaf green tea with jasmine blossoms is mellow and refined with an intense flowery scent and taste.

Red Berry Burst - Totally fruitalicious! A red berry explosion in both flavour and colour. Packed full of vitamin goodness, enjoy this sweet, slightly tangy, fruity tea.

Turkish Apple - A tantalising take on the classic Turkish national drink. Using Persian dried apple pieces and an extra healthy dose of vitamin C, this moreish nectar will stave off those winter chills.

African Rooibos - This herbal tea is light and refreshing. Malty and tasty aromas transform into a smooth, mellow taste filled with nutty, biscuity flavours. Bursting with anti-oxidants, this is one superb caffeine free drink.

Egyptian Camomile - This blend of whole Egyptian camomile flowers and Spanish lavender is the perfect pairing. The medicinal properties of lavender provide the perfect complement to camomile tea, in helping to relieve anxiety and insomnia.

Mojito Mint - A bespoke herbal blend that combines peppermint with the calming freshness of lemongrass and the sweetness of blossoms. This soothing, refreshing tonic is a zingy version of the traditional peppermint tea.

coffee

We source our coffee from **UE Coffee Roasters**, based just down the road in Witney. They are the first, and currently only, wood-fired artisan coffee roasters in the UK and pour their passion into every coffee bean roasted.

Choose from **French Press** or **anything from the coffee machine**.
